Thunder Hill Arrival Procedures

ARRIVAL

- Begins at 9:45 am, students should not arrive before 9:40 at their designated areas. Supervision begins at 8:45
- At 10:00 am, students are considered tardy and an adult must call the front office to receive a late slip.

<u>Car Riders</u>

Drop off is at the in the lower loop. Pull forward and wait for a staff member to escort your child

Walkers

May come from various areas.
Students should maintain social distance. NO parents allowed past posted signs

Buses/Vans

Drop off in upper lot. Staff will greet drivers and escort students into the building as soon as they arrive.

Thunder Hill Arrival Procedures

DISMISSAL

- 4:15 Monday, Tuesday, Thursday, and Friday
- 12:15 Wednesday.
- We encourage parents to have their children start their normal transportation routine from their DAY 1
- Call the Front Office by 3:30 for any dismissal changes.
- Early Dismissal:
 - Call the front office when you are outside
 - A staff member will come outside and check for your sign
 - Students will be escorted outside to the family member
 - Students must be picked up by 4:00 for Early Dismissal

Thunder Hill Dismissal Procedures

DISMISSAL

Car Riders

- Students will exit from their designated areas.
- Families should stay in their vehicle
- Drivers must have a car loop sign in the front passenger window.

Walkers

- Students will exit their designated areas and immediately leave the property.
- Adults must wait for their students past posted signs

Buses/Vans

Pick-up will be in the upper lot. Staff will walk students to the bus and drivers will leave once fully loaded.

What will Car Loop Look Like?

PHOTO

Arrival:

- The first car should pull up along the curb in the bottom of the car loop. Students can all exit along the curb side where staff will greet them.
- Your student should be ready to exit the car as you pull up to the curb. Please be sure to have backpack, lunch, instruments, etc. ready for exit. For our youngest Thunder Bids, please practice unbuckling the seatbelt independently.
- Only the student should exit the car on the CURBSIDE. Drivers and other family members should remain in the car.
- Please DO NOT pass cars in the car loop even if your student exited the car. Wait to follow other cars in front of you. Thank you for modeling respect and safety for our students.

Dismissal:

Please be sure to put your car loop sign either on the passenger side of the window or your dashboard so staff can easily see the sign. If you do not have a sign, do not enter the loop. You will need to park and show identification in the front office.

What will the Bus Look Like?

At the bus stop:

- Encourage your child to stay 6 feet apart in a safe spot along the sidewalk with their mask on.
- Wait patiently for your bus to arrive. Please note that it normally takes a couple of weeks for bus schedules to get consistent as everyone learns and gets used to the routine.
- There should not be any running or playing due to safety issues.

On the bus:

- 1 child per seat, unless from the same household.
- Students enter and sit in their assigned seat daily, which will support contact tracing, if needed.
- Windows and latches will be open for air circulation, per CDC guidelines.
- Dress appropriately since windows will be open, regardless of winter temperatures.
- Students must wear masks but extra disposable masks and sanitizer will be available on all buses.
- Students must remain seated when the bus is in motion and follow all safety protocols as directed by the bus driver.
- Video cameras are on every bus.
